Hotel Information

The newly remodeled Westin San Francisco Market Street Hotel (formerly the Argent Hotel) is the headquarters hotel for the SNACC 35th Annual Meeting and is located at 50 Third Street, San Francisco, California 94103, telephone (415) 974 6400. Due to limited meeting space and guest room availability at the ASA Annual Meeting, SNACC has reserved a block of 100 guest rooms at the Westin exclusively for SNACC meeting attendees.

The Westin Market Street Hotel is the closest ASA hotel to the Moscone Center and is located on Third Street, directly behind the San Francisco Marriott. To encourage attendees to stay at the SNACC headquarters hotel, the Society is offering a \$25 discount off the SNACC Annual Meeting registration. Hotel reservations must be made by **September 19, 2007** through the ASA Annual Meeting Housing Bureau. Please see: www2.ASAhq.org for specific instructions.

By staying at the Westin you not only receive a discount off the SNACC meeting registration, you also help your Society avoid costly meeting performance penalties which, if incurred, would remove funding from other needed projects.

United, ASA's Official Airline, is offering special meeting discounts for 2007 Annual Meeting attendees. By purchasing your ticket more than 30 days in advance, you can receive a discount off applicable fares, including first class.
