

SNACC Director-at-Large Application

Application Deadline: April 30, 2026, at 11:59 pm ET

Directors-at-Large are voting members of the Board of Directors and are involved in decision making on issues pertaining to governance and strategy of the Society according to its mission and bylaws. Directors-at-Large advise the Executive Committee in the overall functioning of the society. In addition, the Directors may be asked by the Executive Committee to lead specific committees, subcommittees, task forces, councils, or special projects. Attendance at all Board meetings is expected.

Elected members of the SNACC Board of Directors have significant responsibilities, and potential candidates must have time to make this commitment to the Society and the specialty. The responsibilities of Directors-at-large are outlined in detail in [SNACC Bylaws](#).

Minimum Prerequisites

- At least three years of active membership of SNACC in good standing.
- Demonstration of track record of service to SNACC (such as active participation and/or leadership in SNACC committees/councils/task forces, active contributions to the newsletter, the Journal of Neurosurgical Anesthesiology, and participation in the Annual Meeting program).
- Dedication to the values of SNACC and its mission, and commitment to diversity, equity, and inclusion

Self-nominations are accepted for this post. Alternatively, active members of the Society can nominate another member by describing the strengths of the nominee and highlights of their CV. The nominating committee will pursue consent from the nominee before considering their candidacy.

Nominee's Name

Jacqueline Morano

Nominee's Email Address

jacquelinemarie.morano@gmail.com

Credentials (e.g., MD)

MD

Current Institution

Feinberg School of Medicine

SNACC Member Since (Year)

2016

Services to SNACC (limit to no more than five (5) most significant services)

- 1)Active member since 2016 participating in the Education Committee, Trainee Engagement Committee, and Communication Committee since 2018
- 2)Director of Trainee Engagement Committee
- 3)Responsible for answering "Interested in a Neuroanesthesia Fellowship" inquiries since 2019
- 4)Regular contributions to the SNACC newsletter, and organization of members and their contributions for the challenging case, EEG corner, and the TEC update
- 5)Active member in the Education Committee and Communications Committee including creating much of the social media content from 2019 to 2022

Relevant Leadership Experience (limit to no more than five (5))

- 1) Director of Trainee Engagement Committee
- 2) Assistant Director of Trainee Engagement Committee

Your commitment to diversity, equity, and inclusion (limit 50 words)

SNACC has a long commitment to DEI and I hope to further foster this environment. As one of the members of the board I would help actively promote female engagement and inclusion in our sub-committees.

How do you envision advancing SNACC as a Director-at-Large? (limit 150 words)

SNACC is my core medical society since fellowship in 2017. I have wide ranging experience within SNACC, including the education committee, communications committee, and the trainee engagement committee (TEC). I have served as Chair of TEC since 2023 and I was Vice Chair from 2021 to 2023. I work to help review the neuroanesthesia classroom, edit the challenging cases, edit the EEG corner cases and create the TEC committee report. Since 2019 I have respond to "Interested in a Neuroanesthesia Fellowship." Given this broad experience within SNACC, my goal as a director-at-large is to help guide the society in issues related to attracting, reaching, and retaining our trainees and members. With my depth of experience in SNACC already, I would be an active and helpful member of the board of directors.

Anything else you would like considered in your candidacy (limit 50 words)

With a history of successful and productive leadership experience in SNACC already, it would be an honor to further help guide SNACC on the board of directors.

Name of Person Submitting Nomination Jacqueline Morano

3/15/2026

Jacqueline M. Morano M.D., F.A.S.A.

Business Address: 251 E. Huron St., F5-704, Chicago, IL 60611

Business Phone: 312-694-2637

Email: jmorano@nm.org, jacquelinemarie.morano@gmail.com

EDUCATION

2003-2007 B.S., Health Sciences. Georgetown University, Washington D.C.

2008-2012 M.D., Rosalind Franklin University of Medicine and Science, North Chicago, IL

POSTGRADUATE TRAINING

2012-2013 Internship, Internal Medicine, Winthrop University Hospital, Mineola, NY

2013-2016 Residency, Anesthesiology, McGaw Medical Center, Northwestern University Feinberg School of Medicine, Chicago, IL

2016-2017 Clinical Fellowship, Neurosurgical Anesthesiology, McGaw Medical Center, Northwestern University Feinberg School of Medicine, Chicago, IL

CERTIFICATION

2013-present DIPLOMATE, National Board of Medical Examiners

2017-present DIPLOMATE, American Board of Anesthesiology

2023-present Fellowship, American Society of Anesthesiology (FASA), appointed November 2023

PROFESSIONAL LICENSES

2013-present Federal Drug Enforcement Agency Controlled Substance License, (FM6744242) Exp. 01/31/2029

2013-present Controlled Substance License, (036142737) Exp. 07/31/2026, Illinois

2013-present Physician and Surgeon License, (036.142737) Exp. 07/31/2026, Illinois

ACADEMIC APPOINTMENTS

2017- 2021 **Assistant Professor**, University of Chicago, Pritzker School of Medicine, Chicago, IL

2021- **Assistant Professor**, Northwestern University, Feinberg School of Medicine, Chicago, IL

HOSPITAL APPOINTMENTS

9/2017 – 5/2021 **Attending Physician**

Department of Anesthesiology and Critical Care, Chicago, IL
University of Chicago Medical Center

2019- 2021 **Section Chief of Neurosurgical Anesthesiology,**

Department of Anesthesiology and Critical Care, Chicago, IL
University of Chicago Medical Center, Chicago, IL

7/2021- present **Attending Physician**

Department of Anesthesiology, Chicago, IL
Northwestern Memorial Hospital (NMH), Chicago, IL – Central Downtown Location

HONORS AND AWARDS

A. Elected Society Memberships

2023 Fellow of the American Society of Anesthesiologists (FASA), awarded November 30th, 2023.

B. International/National/Regional

2012 Letter of Commendation: Resident with excellent teaching skills, Stony Brook Medical School, NY

- 2014 First place Midwest Anesthesia Residents Conference (MARC): Poster presentation in Obstetric Anesthesiology; April 4-6th
- 2015 Third place Midwest Anesthesia Residents Conference (MARC): Abstract Poster presentation in Regional Anesthesia; May 2nd

C. University

Georgetown University

- 2006 Psi Chi Honor Society, International Honor Society in Psychology awarded to those with scholastic excellence in the field of Psychology
- 2007 Cum laude, Georgetown University, Washington DC
- 2007 Who's Who Among Students in American Universities and Colleges, Georgetown University, Washington DC

Rosalind Franklin University of Medicine and Science

- 2010 Scholarship, Rosalind Franklin University of Medicine and Science
- 2012 Chicago Medical School Dean's Award: outstanding service to the school and consistent personal and profession growth as a medical student

Northwestern University

- 2017 James Eckenhoff Research Award. PI: J. Uejima. My role: First Author and Mentee. Title *Perioperative Systemic Acetaminophen to Improve Quality of Recovery after Supratentorial Craniotomy*. Study held due to funding.
- 2025 Northwestern University, Feinberg Academy of Medical Educators, (FAME), awarded August 15, 2025

INTERNAL INSTITUTIONAL SERVICE (Committees, Councils, Task Forces)

School:

- 2010-2012 Vice Chair, Lottery Committee, Rosalind Franklin University of Medicine and Science, Chicago Medical School, IL
Elected by my peers to run the committee responsible for placement of my fellow medical students in their clinical rotation throughout their 3rd and 4th year of medical school.
- 2011-2012 Dean Search Committee, Rosalind Franklin University of Medicine and Science, Chicago Medical School, IL
Elected to represent my fellow medical students in interviewing and reviewing candidates for the Dean position.

Department:

- 2015-2016 Social Chair, Department of Anesthesiology, Northwestern University, Feinberg School of Medicine, Chicago, IL
Responsible for organizing social events throughout the year for the Anesthesiology residents, including Graduation for the department.
- 2018-2020 Anesthesiology Resident Recruitment Committee Member, University of Chicago, Pritzker School of Medicine, Chicago, IL
Responsible for reviewing applications, interviewing and assigning rank position to applicants for entrance into Anesthesiology post graduate residency training.

- 2019-2021 Section Chief Neurosurgical Anesthesiology, University of Chicago Medical Center, Pritzker School of Medicine, Chicago, IL
Determine staffing and management of critical Neurosurgical cases, provide rotation learning objectives, readings, and lectures to residents.
- 2019 -2021 Anesthesiology Daily Coordinator, University of Chicago Medical Center, Pritzker School of Medicine, Chicago, IL
Responsible for assigning and managing manpower for 40 + operating rooms and procedural sites. Assure adherence to standard policies and procedures during day-to-day activities and during critical periods such as the COVID pandemic and during mass casualty events. Assign anesthesiologist, certified nurse anesthetist, trainees and other staff in the surgical setting to assure proper patient care. Acted as a liaison between nursing, anesthesiology and the surgical team members during day-to-day operating room scheduling and meetings.
- 2020-2021 Junior Faculty Council, University of Chicago Medical Center, Pritzker School of Medicine, Chicago, IL
Elected amongst my junior faculty colleagues to represent them in discussions with the chairman of our department to identify areas for mentorship, recruitment and retention of our faculty.
- 2023- Wellness Committee, Department of Anesthesiology, Northwestern University Feinberg School of Medicine, Chicago IL
Member of the event planning subcommittee within the wellness committee
- 2026- Anesthesiology Faculty Engagement and Culture Council, Department of Anesthesiology, Northwestern University Feinberg School of Medicine, Chicago, IL
Nominated by my peers to be member of the council. In this role we advise leadership, identify opportunities to strengthen culture, and promote initiatives that enhance communication, well-being, recognition, and professional fulfillment for members of our department.

COMMUNITY SERVICE

- 2018-2020 Board Member, Italian American Women's Foundation, Italian American Consulate General of Italy, Chicago IL
- 2020 Masks for Chicago Campaign
I lead a fundraising campaign to source and purchase 1 million N95 masks using a manufacturing contact in Shenzhen, China to supply much needed PPE during the height of the COVID 19 pandemic to Chicago land hospitals.

PROFESSIONAL SOCIETY MEMBERSHIP AND EXTRAMURAL ORGANIZATIONS

- 2010 - 12 & Georgetown Alumni Admissions Program
2025 - present
- 2013 - present American Society of Anesthesiologists, with FASA designation
- 2013 - present Illinois Society of Anesthesiologists
- 2016 - present Society for Neuroscience in Anesthesiology and Critical Care (SNACC)
- 2017 - 2020 Italian American Women Foundation
- 2017 - present Society for Neuroscience in Anesthesiology and Critical Care (SNACC) Communications Committee Member
- 2017 - present Society for Neuroscience in Anesthesiology and Critical Care (SNACC) Trainee Engagement Committee Member

EXTERNAL PROFESSIONAL LEADERSHIP AND SERVICE

- 2010-2012 Georgetown Alumni Admissions Committee

- 2025-present Georgetown University Undergraduate
Committee Member
Interview potential candidates for admissions into Georgetown Undergraduate in the Metro Chicagoland area
- 2018-present Trainee Engagement Committee
Society for Neuroscience in Anesthesiology and Critical Care
Committee Member
- 2018-present Communications Committee
Society for Neuroscience in Anesthesiology and Critical Care
Committee Member
- 2018-present Education Committee
Society for Neuroscience in Anesthesiology and Critical Care
Committee Member
- 2021-2023 Vice Chair of the Trainee Engagement Committee
Society for Neuroscience in Anesthesiology and Critical Care
Compose the quarterly newsletter, address all inquiries across the globe on international and national interest in Neurosurgical Anesthesia Fellowships associated with the Society for Neuroscience in Anesthesiology and Critical Care, assist in editing the quarterly podcasts for the Journal of Neurosurgical Anesthesiology, EEG challenging cases, and Challenging Case for our Newsletter
- 2023- present Chair of the Trainee Engagement Committee
Society for Neuroscience in Anesthesiology and Critical Care
Manage committee membership, compose the quarterly newsletter, address all inquiries across the globe on international and national interest in Neurosurgical Anesthesia Fellowships associated with the Society for Neuroscience in Anesthesiology and Critical Care, edit the quarterly podcasts for the Journal of Neurosurgical Anesthesiology, editor of the EEG challenging cases, and editor of Challenging Case for our tri-annual Newsletter, organize events at our national meeting to engage and encourage trainee involvement and representation
- 2025 Planning Committee for Annual Meeting
Society for Neuroscience in Anesthesiology and Critical Care
Committee Member
Meet monthly prior to September 2025 to help organize the 4-day schedule for our annual meeting, decide on speakers and contribute content and ideas

EDITORSHIPS / EDITORIAL BOARD SERVICE

- 2023 - present SNACC Newsletter. As the acting Chair of Trainee Engagement Committee, I review and edit the Medical Challenging Case and EEG Signatures Education Case prior to submission for our triannual Newsletter which is published virtually at www.snacc.org

RESEARCH PROJECTS (optional)

1. Programmable Implanted Neurologic Survey (PINS) Project
Surveying members of the Society for Neuroscience in Anesthesiology and Critical Care to learn about their familiarity with pre-operative, intra-operative, and post-operative management of patients with programmable neurologic stimulators.
PI: Jacqueline M. Morano MD
Northwestern IRB#: STU00224403

2. Effects of Transcutaneous Vagal Nerve Stimulation on Post-Surgical Return to Consciousness, Delirium, and Depression

Prospective trial to examine whether noninvasive, transcutaneous vagal nerve stimulation (tcVNS) (tVNS® R manufactured by tVNS Technologies, Erlangen, Germany) can help restore consciousness in patients in the Operating Room and Post Anesthesia Care Unit (PACU); to determine if tcVNS can expedite discharge from the PACU; and to examine whether tcVNS administered in the PACU can help reduce delirium and depression post-surgery, speeding up cognitive recovery from emergence of anesthesia, and surgery.

PI: Dr. Charles W. Hogue MD

Northwestern IRB #: STU00223307

INVITED LECTURES

International/National:

- | | |
|------|---|
| 2019 | 1. <u>Faculty: Moderator and Creator of Neuroanesthesiology Review Fun and Trivia</u>
47 th Annual Society for Neuroscience in Anesthesiology and Critical Care Conference provided by the American Society of Anesthesiologists, Phoenix, Arizona. September 12 th - 14 th 2019 |
| 2020 | 2. <u>Faculty: Moderator PBLD Sessions</u>
48 th Annual Society for Neuroscience in Anesthesiology and Critical Care Conference provided by the American Society of Anesthesiologists
Virtual Conference, September 11 th -13 th 2020; Invited to moderate, however this session was eliminated due to Covid to allow for a virtual event. |
| 2021 | 3. <u>Faculty: Moderator and Creator of Neuroanesthesiology Review Fun and Trivia</u>
49 th Annual Society for Neuroscience in Anesthesiology and Critical Care Conference provided by the American Society of Anesthesiologists, Virtual. September 9 th -12 th , 2021 |
| 2021 | 4. <u>Trainee Engagement Committee Event: Breakout session</u>
49 th Annual Society for Neuroscience in Anesthesiology and Critical Care Conference provided by the American Society of Anesthesiologists, Virtual. September 10 th -12 th , 2021 |
| 2022 | 5. Trauma Anesthesia & Resuscitation Conference, Virtual Event, supported by the American Society of Anesthesiologist and the Trauma Anesthesiology Society, March 12 th , 2022.
Anesthetic Management in the Acute Spinal Cord Injury Patient |
| 2022 | 6. International Neuro Critical Care Conference, organized by the Malaysian Society of Neuroanesthesiology and Neurocritical Care, Held virtually due to COVID. July 1-3, 2022
Acute Spinal Cord Injury: early protection and preservation in the operating room |
| 2022 | 7. <u>Faculty: Trainee Engagement Committee Event</u>
50 th Annual Meeting of the Society for Neuroscience in Anesthesiology and Critical Care, Seattle, WA. Sept. 8-11, 2022 |
| 2022 | 8. <u>SNAP Panel</u> , American Society of Anesthesiologist Annual meeting. ST406 - Session Title: Paging Neuroanesthesia: Addressing Common Clinical Questions for Non-Neuro Anesthesiologists, Management strategies for patients with neurologic stimulators during non-neurologic surgery. New Orleans, LA. Oct. 22-25, 2022 |
| 2023 | 9. <u>Pre-symposium crisis workshop</u> offered by the International Council for Perioperative Neuroscience Training (ICPNT) at the SNACC Virtual Clinical Symposium: Update in Neuroanesthesia. Loss of Neuromonitoring Signals during Spine surgery, what to do, held virtually Saturday, April 29 th , 2023. |

- 2023 10. Faculty: Moderator and Creator of Neuroanesthesiology Review Fun Quiz
51st Annual Society for Neuroscience in Anesthesiology and Critical Care Conference provided by the American Society of Anesthesiologists, September 9th, 2023
- 2023 11. Trauma Anesthesia & Resuscitation Conference (TASCON), supported by the American Society of Anesthesiologist and the Trauma Anesthesiology Society. Traumatic Brain Injuries: Incidence, Effects and Management in the Acute Setting. San Francisco, CA. October 13th, 2023
- 2023 12. SNAP Panel, American Society of Anesthesiologist Annual meeting. ST205 - Session Title: Paging Neuroanesthesia: Common Clinical Questions for Non-Neuro Anesthesiologists, Management and updated strategies for patients with neurologic stimulators during non-neurologic surgery. San Francisco, CA. Oct. 13th -Oct. 18th, 2023
- 2024 13. SNACC 2024 Virtual Clinical Symposium - Update in Neuroanesthesia offered by the International Council for Perioperative Neuroscience Training (ICPNT): Update in Neuroanesthesia. Brief Review of Intraoperative Neuromonitoring (IONM) for Spine Surgery: Perioperative loss of IONM, held virtually Saturday, April 27th, 2024
- 2024 14. SNACC 2024 PBLD Moderator, Perioperative Management of Neurologic Stimulators during Non-neurologic Surgery, 52nd Society for Neuroscience in Anesthesiology and Critical Care Annual meeting, Friday, September 13th, 2024
- 2024 15. SNAP Talk, American Society of Anesthesiologist Annual meeting. ST202 - Session Title: Paging Neuroanesthesia: Common Clinical Questions for Non-Neuro Anesthesiologists, A vagal nerve stimulator in the OR: What do I do with that?! Perioperative management of neurologic devices for non-neurologic surgery. Philadelphia, PA. Oct. 18th - Oct. 22nd, 2024
- 2024 16. Panel, American Society of Anesthesiologist Annual meeting. PN413 - Session Title: Cervical spinal cord injury: Management concerns and strategies to improve outcomes in emergency decompression/fusion cases. Philadelphia, PA. Oct. 18th - Oct. 22nd, 2024.
- 2025 17. SNACC 2025 PBLD Moderator, Perioperative Management of Neurologic Stimulators during Non-neurologic Surgery, 53rd Society for Neuroscience in Anesthesiology and Critical Care Annual meeting, Saturday, September 13th, 2025
- 2025 18. Refresher Course, American Society of Anesthesiology Annual meeting. RL302-Management Strategies for Patients with Neurologic Stimulators during Non-Neurologic Surgery (1CME). San Antonio, TX. Oct 11-14th, 2025.
- 2026 19. Neuro-anesthesiology Divisional Meeting, University of Washington, Seattle, Washington. Management Strategies for Patients with Non-cardiac Implanted Electrical Devices, Virtual. February 24th, 2026.

International/National Visiting Professor:

- 2024 1. Loyola University Chicago Stritch School of Medicine, Department of Anesthesiology and Perioperative Medicine
Management Strategies for Patients with Neurologic Stimulators during Non-Neurologic Surgery.
Wednesday June 12, 2024
- 2024 2. University of Illinois College of Medicine, Department of Anesthesiology, Chicago, IL

Anesthetic Management in the Acute Spinal Cord Injury Patient, Review and Update. Wednesday December 4th, 2024

- 2025 3. National Institute of Neurology and Neurosurgery “Manuel Velasco Suarez” in Mexico City, Mexico. Anesthetic Management in the Acute Spinal Cord Injury Patient, Review and Update. Presented as a visiting professor to the Institute and its affiliates throughout Mexico and South America. Held virtually Jan. 27th, 2025.
- 2026 4. V. Zelman Institute of Medicine and Psychology at Novosibirsk State University in Novosibirsk, Siberia. Anesthetic Management in the Acute Spinal Cord Injury Patient, Review and Update. Presented as a visiting professor to the Institute and its affiliates within Siberia. Held virtually May 19th, 2026.
- Regional:
- 2022 1. Annual Fellowship Fair, Department of Anesthesiology, Keck School of Medicine of University of Southern California, Held Virtually, November 16th, 2022
- Local:
- 2017 1. Grand Rounds, Department of Anesthesiology, Northwestern University Feinberg School of Medicine, Chicago, IL, Post-Operative Cognitive Dysfunction, June 2017
- 2018 2. Grand Rounds, Department of Anesthesiology and Critical Care, University Chicago Pritzker School of Medicine, Chicago, IL, Post-operative Cognitive Dysfunction, June 27th, 2018.
- 2018 3. Grand Rounds, Department of Anesthesiology and Critical Care, University Chicago Pritzker School of Medicine, Chicago, IL, October 3rd, Regional Anesthesia Review, Traverse Abdominal Plane Blocks
- 2019 4. Grand Rounds, Department of Anesthesiology and Critical Care, University of Chicago Pritzker School of Medicine, Chicago, IL, September 18th, Quality Improvement: Neuromonitoring and associated complications

7. Ghaly, C MS3*, **Morano, JM MD**, Bebawy, J MD, Neuromonitoring in Patients with Programmable Neurologic Stimulators: An Alternative to tcMEPs Using Epidural D-Wave Monitoring. Medically Challenging Case. Postgraduate Assembly in Anesthesiology, Saturday, December 13, 2025.

M. Peer Reviewed Scholarly Media

- 2020 1. **J. Morano**. Narrator April 2020 *Journal of Neurosurgical Anesthesiology* quarterly podcast. A review of "Speckle Tracking Analysis of Left Ventricular Systolic Function Following Traumatic Brain Injury: A Pilot Prospective Observational Cohort Study" Summarized, recorded and published for Society of Neuroscience in Anesthesiology and Critical Care available on spotify, apple and google podcasts.
<https://www.snacc.org/fellows-and-residents/jna-podcast/>
- 2021 2. **J. Morano**. Narrator June 2021 *Journal of Neurosurgical Anesthesiology* quarterly podcast. A review of "Treatment of Subarachnoid Hemorrhage-Associated Delayed Cerebral Ischemia with Milrinone: A review and proposal" Summarized, recorded and published for Society of Neuroscience in Anesthesiology and Critical Care, available on spotify, apple and google podcasts.
<https://www.snacc.org/fellows-and-residents/jna-podcast/>
- 2023 3. **J. Morano**. Narrator January 2023 *Journal of Neurosurgical Anesthesiology* quarterly podcast. Dr. Jacqueline Morano interviews Dr. Ian McCullough, MD and Dr. Alex Papangelou, MD authors of "Opioid Free Craniotomy." recorded and published for Society of Neuroscience in Anesthesiology and Critical Care, available on spotify, apple and google podcasts.

TEACHING (optional section)

The University of Chicago (B.A., B.S.):

2018, 2019

Guest lecturer, Bio Sci 24217- "The Conquest of Pain.": Lecture on "Wheatgrass, coconuts, and Chicken noodle soup; How nutrition is being used to treat Chronic Diseases" 1-hour lecture.

Northwestern McGaw Feinberg School of Medicine (M.D.)

- 2017 PBLD on Chronic Pain, 90 min presentation entire MS3 class; mandatory PBLD session, assisted in reviewing pain topics for MS3 class with Chronic Pain program director Geeta Nagpal
- 2021- ongoing Third Year Medical Student Clerkship in Anesthesiology
- 2021- ongoing Fourth Year Medical Student Clerkship in Anesthesiology
- 2022- ongoing Junior Medical Student Anesthesiology Shadowing

Pritzker School of Medicine (M.D.):

- 2018-2020 Third Year Medical Student Clerkship (2week period/year) for medical students on their Anesthesiology specialty rotation. For a two-week period, one on one mentorship of students interested in Anesthesiology.

Graduate medical education (residency and clinical fellowships):

- 2016-2017 Neurosurgical Anesthesiology Subsection Lecture Series, Northwestern Memorial Hospital: for medical students, residents on their Neurosurgical rotation. Presented four times per year and participated weekly.
- 2021-ongoing Department of Anesthesiology Northwestern University
Lectures: Anesthesia for ECTs

	Anesthetic Considerations for Epilepsy Surgery Anesthesia for Acute Spinal Cord Injuries Neuromuscular Diseases and Anesthetic Implications Anesthetic Management Strategies for Patients with Neurologic Stimulators during Non-Neurologic Surgery
2017-2021	<u>Keyword Residency Lecture Faculty Evaluator (~30 mins, ~2 times a month)</u> , Department of Anesthesiology University of Chicago
2018-2021	<u>Neurosurgical Subsection Residency Lecture Series</u> Department of Anesthesiology University of Chicago Lectures: Traumatic Brain Injury Anesthetic Management Introduction to Neurosurgical Spine Surgery Awake Craniotomies and Scalp blocks Neuromuscular Diseases and Anesthesia
2018-2021	<u>Neurosurgery Board Review Lecture (~90 mins ~1 time a year)</u> Department of Neurosurgery University of Chicago
2018-2019	<u>Regional Anesthesia Series Lecture (~ 30 mins ~ 1 time a year)</u> Department of Anesthesiology University of Chicago Lecture: Transverse Abdominis Plane Blocks
2018-2020	<u>Introductory Lecture for First Year Anesthesia Residents (~60 mins ~1-2 times a year)</u> Introductory lecture to Anesthetic concepts specific for Neurosurgical cases Department of Anesthesiology University of Chicago
2021	<u>Chair's Morning Report: Anesthesia and Neuromuscular Diseases</u> , Department of Anesthesiology Northwestern Memorial Hospital
2021	<u>ITE Keyword Review: Glasgow Coma Score</u> , Department of Anesthesiology Northwestern Memorial Hospital
2023-present	<u>Introductory Lecture for First Year Anesthesia Residents (~60 mins ~2 times a year)</u> Introductory lecture to Anesthetic concepts specific for Neurosurgical cases Department of Anesthesiology Northwestern Memorial Hospital
2024	<u>Neurosurgery Board Review Lecture (~90 mins ~1 time a year)</u> Department of Neurosurgery Northwestern Memorial Hospital
2025	Lecture Educating the Neurological Testing Center. Management of Neurologic Stimulators during intraoperative neuromonitoring. Education for Neurology residents, Neurology fellows and Intraoperative Neuromonitoring Technicians, October 10 th , 2025

TRAINEES (optional section)

2017	Mentor for Rachel Bandi, Anesthesiology resident, Northwestern University Feinberg School of Medicine, challenging case presentation at the 2017 SNACC Conference in Boston MA
2018-19	Mentor for a QI projects with several of the residents in Department of Anesthesiology and Critical Care, University Chicago Pritzker School of Medicine. Guided them in investigating different intraoperative care plans to determine if they result in change in patient pain and opioid requirements post-operatively. Abstract submitted for ASRA Data Blitz 2019 New Orleans LA
2022	Mentor for Bashar Kazanji, Anesthesiology resident, Northwestern University Feinberg School of Medicine, Challenging Cases under Airway category at MARC 2022 in St. Louis MO
2022	Mentor for Michelle Chapman MS4 Northwestern University Feinberg School of Medicine in the AOSC (Area of Scholarly Concentration)
2022-23	Mentor for Taylor Pruis, Anesthesiology resident, Northwestern University Feinberg School of Medicine, Quality Improvement Project, Perioperative device management recommendations for non-cardiac implanted electrical devices (Vagal Nerve stimulators, Deep Brain Stimulators, Spinal Cord stimulators)
2023	Mentor for Michelle Dickinson, Anesthesiology resident, Northwestern University Feinberg School of Medicine, American Society of Anesthesiology Medically Challenging case presentation, Use of somatosensory evoked potential in patients with deep brain stimulator.

- 2023 Mentor for Ashir Bansal, MS4, Northwestern University Feinberg School of Medicine, American Society of Anesthesiology Medically Challenging case presentation, Anesthetic Management in a brain biopsy for suspected Creutzfeldt-Jakob disease
- 2025 Mentor for Michelle Dickinson, Anesthesiology resident, Northwestern University Feinberg School of Medicine, A and A Practice, case report write up and submission for publication, D-Wave Spinal Cord Monitoring to Obviate the Need for Transcranial Motor Evoked Potentials in a Patient with Bilateral Deep Brain Stimulators Undergoing Spinal Deformity Correction
- 2025 Mentor for Chantal Ghaly, MS3, St. George's University School of Medicine, 79th Postgraduate Assembly in Anesthesiology Medically Challenging Case Submission, Neuromonitoring in Patients with Programmable Neurologic Stimulators: An Alternative to tcMEPs Using Epidural D-Wave Monitoring
- 2025-26 Mentor Patrick LeFevre, Anesthesiology resident, Northwestern University Feinberg School of Medicine, Quality Improvement Project, developing pathway for alternative antiemetics in patients with refractory postoperative nausea and vomiting.
- 2026- Mentor Carrie Stump, Anesthesiology resident, Northwestern University Feinberg School of Medicine, working with me on research study (PINS Survey), Dr. Stump is helping with our data collection and ultimate write up for this IRB (Northwestern IRB STU#00224403).
